Highs & Lows – Emele Sande

Verse 1

We don't have a plan
Just pack your bags and run as
fast as we can
We hold the future in the palm
of our hands
I know you hear me, but do you
understand
Yeah, we've been making a
scene
I'll keep on singing while you
shake tambourine
Whether we're broke, whether
we're living the dream
I see you laughing but you know
what I mean

Chorus

I'm talking about the **highs**
I'm talking about the **lows**
I'm sticking by your **side**
No way I'm letting **go**
I'm talking about forever, baby
I'm giving you forever, baby, it's
yours
I'm talking about the **highs**
I'm talking about the **lows**

we're old

already know
